NOTE FOR: DCI

SUBJECT: OSWR's Program in Support of SDI

Attached for your information is OSWR's research and production program in support of SDI. Because of the multidisciplinary nature of SDI, OSWR has formed an intraoffice task force to guide their research and production in this area. This program was assembled after consultations with Gen. Abrahamson and Jay Keyworth, and is comprehensive and ambitious.

OSWR plans to distribute this to the appropriate consumers.
